Section 8: Local Standard Provisions.

- 8.1 a. The Trustee shall collect and disburse payments in accordance with the plan.
 - b. Proofs of claim must be filed to receive disbursements pursuant to the plan. Any claim to be paid as secured must contain evidence of a properly perfected lien on property of the estate. If a claim is listed as secured and the creditor files an unsecured claim, the claim will be treated as unsecured.
 - c. Any creditor holding an allowed secured claim and to whom the Debtor is surrendering property under the order confirming plan is granted relief from the automatic stay as to the property and relief from any co-debtor stay so the creditor may obtain possession and liquidate the property. Any net proceeds, after payment of liens and costs of liquidation, are to be forwarded to the Trustee.
 - d. All payments being made by the Trustee on any claim secured by real or personal property shall terminate upon the lifting of the automatic stay with respect to the affected property.
 - e. Notwithstanding the allowance of a claim as secured, all rights under Title 11 to avoid liens are reserved and confirmation of the plan is without res judicata effect as to any action to avoid a lien.
 - f. Notwithstanding 11 U.S.C. § 1327(b), all property of the estate as specified by 11 U.S.C. §§ 541 and 1306 shall continue to be property of the estate following confirmation until the earlier of discharge, dismissal, or conversion of the case.
 - g. Confirmation of the plan shall not prejudice the right of the Debtor or Trustee to object to any claim.
 - h. The Debtor must promptly report to the Trustee and must amend the petition schedules to reflect any significant increases in income and any substantial acquisitions of property such as inheritance, gift of real or personal property, or lottery winnings.
- 8.2 THE FOLLOWING ADDITIONAL PROVISIONS ARE APPLICABLE TO THE HOLDER OR SERVICER ("HOLDER") OF A CLAIM SECURED BY A DEED OF TRUST, A MORTGAGE OR SECURITY INTEREST IN REAL PROPERTY, OR A MOBILE HOME THAT IS THE DEBTOR'S PRINCIPAL RESIDENCE:
 - a. The Holder, upon confirmation, is precluded from imposing late charges or other default related fees based solely on pre-confirmation default.
 - b. If the Trustee is disbursing ongoing monthly installment payments, the Holder must apply each ongoing payment to the month in which the payment is designated.
 - c. For any loan with an escrow account, the Holder must prepare and must send an escrow analysis annually to the Debtor, the Trustee and the Debtor's attorney. The first escrow analysis must be filed with the proof of claim in accordance with Bankruptcy Rule 3002.1. The escrow analysis should not include any amounts that were included or should have been included in the arrearage claim.
 - d. The Holder shall continue to send monthly statements to the Debtor in the same manner as existed pre-petition and such statements will not be deemed a violation of the automatic stay.
 - e. The Holder is required, upon request, to provide account information to the Trustee within 21 days of the request and failure to provide a timely response may result in an order requiring the Holder to appear and show cause as to why Holder should not be sanctioned for failure to comply.
 - f. Nothing herein shall modify Holder's responsibilities under Bankruptcy Rule 3002.1.
 - g. Unless the Court orders otherwise, an order granting a discharge in the case shall be a determination that all pre-petition and post-petition defaults have been cured and the account is current and reinstated on the original payment schedule under the note and security agreement as if no default had ever occurred.
 - h. PENALTY FOR FAILURE OF HOLDER TO COMPLY WITH THE REQUIREMENTS OUTLINED IN BANKRUPTCY RULE 3002.1. Without limitation to the Court's authority to afford other relief, any willful failure of the Holder to credit payments in the manner required by Bankruptcy Rule 3002.1 or any act by the creditor following the entry of discharge to charge or collect any amount incurred or assessed prior to the filing of the Chapter 13 Petition or during the pendency of the Chapter 13 case that was not authorized by the order confirming plan or approved by the Court after proper notice, may be found by the Court to constitute contempt of Court and to be a violation of 11 U.S.C. § 524(i) and the injunction under 11 U.S.C. § 524(a)(2).
